Choose From**

**Tuesday, February 11    Alexandria**

**Thursday, February 13    Shakopee**

# 2020 Spring Start-up Seminar

Minnesota Mine Safety Association is proud to bring you our annual spring start-up seminars. This full-day seminar is packed with information. The educational topics are designed to help provide you the knowledge you need to maintain a safe work environment at your location.

MSHA personnel will be on hand to answer your enforcement questions. This is your chance to find out the enforcement issues for 2020 and to talk one-on-one with MSHA enforcement

personnel. Get the answers you need to be in compliance with MSHA regulations.

Don't miss this opportunity! Sign up today.
