2024 Start-Up Seminar

Minnesota Mine Safety Association is proud to bring you our annual spring start-up seminars. These full-day seminars are packed with various areas of information. The educational topics are designed to provide you with the knowledge you need to maintain a safe work environment.

MSHA personnel will be on hand to answer your enforcement questions. This is your chance to find out the enforcement issues for 2024 and talk one-on-one with MSHA enforcement personnel and get the compliance answers you need with MSHA regulations.

Don't miss this opportunity. Sign up today!
